

YOU'RE INVITED!

WEDNESDAY, MAY 14 | 3 - 4 PM
Zoo Day Comes to the Rhode Island State House

Roger Williams Park Zoo is delighted to bring a touch of the wild to the State House! **Join us inside the *House Lounge*** for a special visit, learn about our conservation and education efforts and meet our animal ambassadors up close.

During this visit, we will proudly recognize the significant contributions of key legislative leaders whose support is invaluable to the Zoo. We especially remember and honor the late **Senate President Dominick J. Ruggerio**. We also acknowledge the ongoing commitment of **The Honorable House Speaker K. Joseph Shekarchi** and **The Honorable Representative Scott A. Slater**.

We are also privileged to honor **The Honorable Representative Julie A. Casimiro** for her leadership in championing the Roger Williams Park Zoomobile "Classroom on Wheels" program, significantly enhancing our ability to deliver vital environmental education to Title I schools across the state.

Please stop by to greet our team, meet our animal ambassadors, and join us in thanking these distinguished supporters.
